SPECIAL NOTES

1. Own choice music for accompanist must be sent by 26th November 2018. All photocopied music must be clear and in a fit state for the accompanist. An original copy must be available on the day of the festival. Please see below: General Regulations 6.
2. Please note that General Regulations 5(vi) with reference to time limits will be strictly adhered to.
3. **Unacceptable Language Thresholds**
It is understood that pieces routinely performed for public examinations (e.g. the works of August Strindberg and Tennessee Williams) often explore adult themes, and contain strong language, and the Festival accepts such classic works. However, care should be taken when choosing or devising more contemporary pieces. We ask that you present your work in a manner that respects the 'family' orientated nature of the Festival, and avoids the unnecessary exposure of younger children to inappropriate themes and language. Therefore in Classes 172, 173, 176, 177, 182, 183, 187 and 189 a copy of the piece as you intend to perform it must be sent to the Speech and Drama Secretary with your entry form. The Festival reserves the right to refuse any entry that it considers unacceptable. Four letter words (e.g. 'f***') **MUST** be replaced by milder expletives, and such expletives should be used only sparingly.
The Festival aims to celebrate the best and highest forms of literature and language, and therefore reserves the right to **refuse** entries that are made up of **continuously bad language and/or gratuitous expletives**.

COPYRIGHT and PHOTOCOPYING

1. The Music Publishers' Association Code of Practice on Photocopying Copyright Works makes the following concession for copying own choice pieces from volumes only for the use of the adjudicator at a festival, provided that the entrant or participant has already purchased his/her own copy and that the copy made is retained and destroyed by the Administrator of the festival immediately after the event. Competitors are advised that permission applies only to copyright holders who are members of the Music Publishers' Association (listed at the back of the Code of Practice leaflet, obtainable from the Association at 103 Kingsway, London WC2B 6QX or online at http://www.mpaonline.org.uk/associated_companies).
2. It is the competitor's own responsibility to ensure that they seek permission to copy direct from any copyright holder whose name does not appear in the M.P.A list. Single copies of items may not be photo copied without the prior permission of the copyright holder.
3. The Hazel Grove Festival is pleased to announce that it has entered into an agreement with the Authors' Licensing and Collecting Society. This means that the entrants do not have to seek copyright permission for any poetry, prose or solo dramatic items* performed, to a time limit of 10 minutes. Performers and teachers will be delighted to know that their participation in the festival means that authors will be directly reimbursed as a consequence of their work being performed at this festival. Duologues and group dramatic activity are not covered by this agreement, and copyright for these items should be sought by performers at the time of entry.

*Solo dramatic items must be announced with title and author at the time of performance to qualify for copyright indemnity, and the performer must not change the words or gender of the character.
4. **NO VIDEO/AUDIO RECORDING OR PHOTOGRAPHY WILL BE ALLOWED DURING COMPETITIONS**

CHILD PROTECTION POLICY

The British and International Federation of Festivals for Music, Dance and Speech works for amateur festivals everywhere to help create thousands of educational performance opportunities for children and young people each year.

The Federation, and our member Festivals, are committed to ensuring safe environments for children and young people and believe that it is always unacceptable for a child or young person to experience abuse of any kind. We recognise our responsibility to safeguard the welfare of all children and young people, by a commitment to recommend best practice which protects them.

This policy applies to our Board of Trustees, paid staff, Adjudicator members, volunteers, students or anyone working on behalf of the Federation and our member Festivals.

We recognise that:

- the welfare of the child/young person is paramount
- all children, regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity, have the right to equal protection from all types of harm or abuse
- working in partnership with children, young people, their parents, carers and other agencies is essential in promoting young people's welfare.

The purpose of the policy:

- to provide protection for the children and young people who participate in our festivals, including the children of festival members
- to provide staff and volunteers with guidance on procedures they should adopt in the event that they suspect a child or young person may be experiencing, or be at risk of, harm

We will seek to safeguard children and young people by:

- valuing them, listening to and respecting them
- adopting child protection guidelines through procedures and safe working practice for staff and volunteers
- recruiting staff and volunteers safely, ensuring all necessary checks are made
- sharing information about child protection and safe working practice with children, parents, staff and volunteers
- sharing information about concerns with agencies who need to know, and involving parents and children appropriately
- providing effective management for staff and volunteers through supervision, support and training.

The Federation will review this policy each year in November in line with Safe Network guidance or sooner in light of any changes in legislation or guidance. All changes will be communicated to our member Festivals in time for the start of the new Festival year.

CREATING SAFER FESTIVALS FOR EVERYONE

The Federation and its member Festivals use the following policies and procedures to create Safer Festivals for everyone:

1. A single, definitive Child Protection Policy adopted by all Federation Festivals.
2. One or more designated Festival Safeguarding Officers (FSO) appointed for each Federation Festival.
Name: Miss S Mather Phone: 0161 456 4643
3. Best practice advice in the form of Safe Working Practice and Festival Child Protection leaflets, with support and training for all Festival staff and volunteers, including clear reporting procedures for anyone with a concern about a child.
4. Appropriate recruitment and induction procedures for all new Festival staff and volunteers responsible for providing safe environments for everyone attending / performing at a Federation Festival.
5. All Festival stewards wear an identity badge. All teachers/parents/guardians /carers are asked to report all incidents of any nature to anyone wearing a badge. All reported incidents will be handled in accordance with the Safe Working Practice and Festival Child Protection best practice advice. In addition we will ensure the availability of a quiet area / room where concerns can be expressed in private.
6. For the duration of the Festival all teachers/parents/guardians/carers are responsible for the continuous care and supervision of their own children/pupils/vulnerable adults. If they are unable to attend personally, they must

delegate their responsibilities to an identified adult and ensure that their children/pupils/vulnerable adults are aware of the identity and name of the person responsible for their care. This includes supervision throughout all Festival venues, performance, practice and changing areas that may be provided.

7. No unauthorised photography or video recording is allowed at our Festivals. Where parents/guardians/carers do not wish photos to be taken at all, then the responsible adult attending should ensure that their child/pupil/vulnerable adult is not included in official authorised photos.
8. Some children and vulnerable adults may have specific needs in order to take part. If this is the case we ask the responsible teachers/parents/guardians/carers to contact the Festival prior to arrival. The Festival actively seeks wherever possible to meet these needs, but must know beforehand in order to prepare support – or to advise that help cannot be provided on this occasion.
9. The Festival's General Data Protection Regulations Privacy Notice, Child Protection Policy and approach to creating Safer Festivals for Everyone are published explicitly above. By completing and signing the entry form all parents / guardians / carers and teachers of entrants under 18 (or vulnerable adults of any age) confirm that they give (or have obtained) the necessary consents for the entrants to take part in the Festival. Without consent the entry to the Festival cannot be accepted.
